DETAILED ACTION

Information Disclosure Statement

1. The information disclosure statements (IDS) submitted on 10 November 2004 and 26 January 2005 were filed after the mailing date of the Advisory Action on 03 November 2004. The submission is in compliance with the provisions of 37 CFR 1.97. Accordingly, the information disclosure statement is being considered by the examiner.

Allowable Subject Matter

2. Claims 1-18 are allowed.

The following is an examiner's statement of reasons for allowance:

Applicant's arguments presented in the Appeal Brief of 31 January 2005 have been fully considered and are persuasive with respect to the art of record failing to disclose or suggest the claim taken as a whole and in particular the limitation wherein "the first program guide information comprises a default transmitting network identifier value uniquely identifying the service network transmitting the first program guide information" as defined in the applicant's specification and particularly identified in Section V – Summary of the Invention of the Appeal Brief.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
